

John T. Essberger

UNIT4 DELIVERS 66% REDUCTION IN COST FOR ANNUAL REPORTING

Founded in 1924 as Atlantic Tank Reederei by the Tank ship pioneer John T. Essberger the company has a long tradition in the transport of liquids. JTE has a number of divisions: Chemical Tankers • Dry Cargo • Ship Management

UNIT4

LOGISTICS

Vertical expertise

Annual reporting across business units is complex and requires speed and accuracy of process.

VALUE DELIVERED

66% reduced cost for annual reporting.

160 hours saved in the annual reporting process.

“The investment is very low compared to the time savings we achieved. In one year we’ve saved 160 hours on the production of statutory and consolidated annual reports,”

Hugo Weeder, John T Essenberger

Business Process Change

Financial Management-Driven Change

ROADBLOCKS

JTE wanted to report faster with less costs.

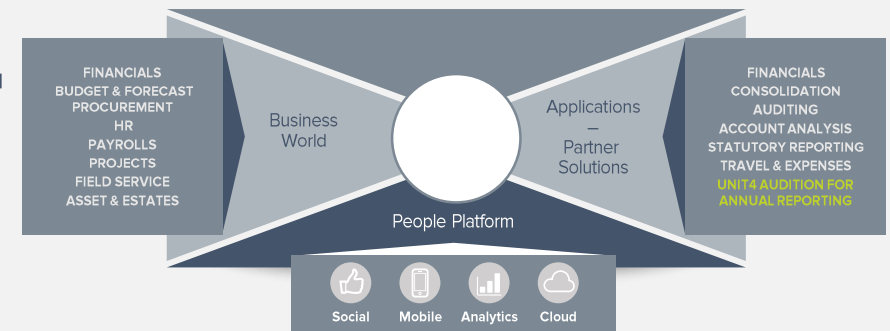

RISKS

Company used to generate annual reports in MS Excel. This was a time consuming and costly process.

Mapping invisible, complex and error prone.

How did Unit4 help?

Unit4 will improve processes around data gathering, mapping, formula modelling, annual comparisons, reporting and auditability

What did we achieve?

Monetary savings

Less mapping, modelling and audit has reduced reporting costs by 66%.

Improved operations

Business processes associated with annual reporting are simpler and quicker. Real-time visibility allows decision makers to drive change.

Efficiency and governance

Compliance and auditability are ensured.
