The Challenge

Expanding into hard-to-reach geographies has been a real challenge for NRC. Also challenging has been to track funding sources across multiple complex programs and reporting periods. The Council needs to ensure continued compliance with grant restrictions and regulatory requirements, using specialized, transparent internal controls.

How did Unit4 help?

- Unified Unit4 ERP in the cloud transforms how 6,500 people work.
- Finances, procurement, payroll, and projects are connected in a single, unified platform.
- Automation reduces time spent on manual processes.
- Unit4 ERP enables tracking of funding sources across multiple complex programs and reporting periods.

Achievements

Change-ready
NRC can quickly adapt financial processes to cope with emerging humanitarian goals.

Agile reporting
The intelligent, adaptive Unit4 ERP platform drives trusted, informed donor management.

Liberates resources
Everyday financial processes are automated, freeing people to work on the organization's primary mission: providing aid.

“The fact that we have partnered with Unit4 for almost a quarter of a century is testimony to the quality of this collaboration. Back then, we were a small NGO. Today, we are a major player in the international humanitarian sector. Unit4 has played a pivotal role in that growth.”

Espen Ruud, Head of Finance and Accounting, Norwegian Refugee Council
