

Realize value with Unit4 - FP&A highlights

In a new **report** Nucleus interviewed multiple Unit4 customers and found a great breadth of functionality, lower costs compared to competitors, and easy configurability as the primary selection drivers. This infographic takes a closer look at the FP&A report highlights.

Unit4’s suite approach enables organizations to digitize a broader range of functionality across ERP, HCM, and FP&A compared to other vendors.

Unit4 FP&A: chosen for its wide capabilities

Unit4 provides users with:

- ✔ A collaborative workspace where they can share information, track progress, and collaborate on budgeting processes.
- ✔ The power to accurately plan resources, manage cash flow, and monitor performance across departments.
- ✔ The power to create detailed multidimensional budgets that can be updated in real-time, assisting organizations in identifying areas for improvement and tracking success.
- ✔ A single source of truth for decision-making.

Customer experiences

Customer: A major Swiss retailer with approximately 100,000 employees and over 25 billion CHF in annual revenue.

Why Unit4?

- ✔ Ability to deliver within the given timeframe
- ✔ An extremely competitive price point
- ✔ Our building block approach and configurable software – which helps accelerate deployment and meet user expectations in six months

Result: the organization has observed a decrease in personnel costs through reallocated store employee FTEs.

Customer: A Canadian municipality who had the ambition to move away from spreadsheeting to a more integrated system for its FP&A needs.

Why Unit4?

- ✔ Flexibility and customization capabilities
- ✔ Simple integration with their existing Unit4 technology
- ✔ Use cases beyond operating and capital budgets
- ✔ A smooth implementation process

Results: Forecasting reports improved, helping to mitigate risk with granular breakdowns and line-item functionality embedded within the program. Unit4 also simplified processes for uploading of worksheets, PDFs, and email supporting documents.
