

The logo for BSI (British Standards Institution) consists of the lowercase letters 'bsi.' in a bold, black, sans-serif font. The period is a solid red dot.

This is to certify that  
**UNIT4 Business Software Ltd**

Suite 201, 100 Longwater Avenue, Reading, Berks, RG2 6GP

Has been assessed  
by Michele Peroli for BSI Group  
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials

Scope: UNIT4 Business Software Ltd Perimeter Network

Certification date: February 1st, 2019

Recommended re-assessment date: **February 1st, 2020**

Certificate no.: 1904170394742128

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
