Why did they need to change?

CHANGE PRESSURES

- Governmental Regulations and Compliance
- Reorganization and Restructuring
- Mergers and Acquisitions
- Business Process Change
- Financial Management-Driven Change

ROADBLOCKS

The Township ran several standalone applications across departments, many of which failed to integrate with each other. No HR info or Identity Access Management systems were available.

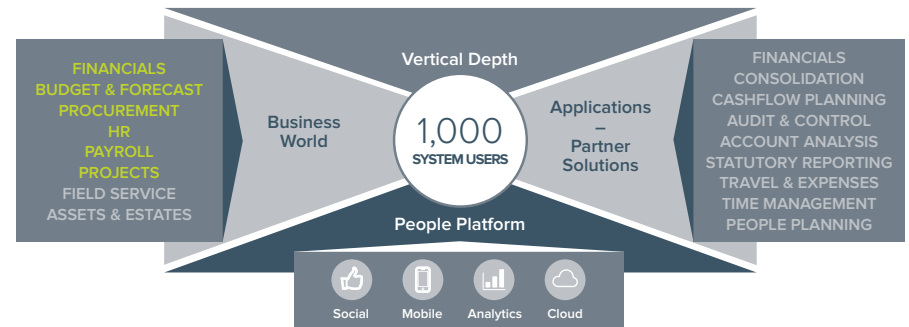

RISKS

Existing financial system, Cayenta, delivered cumbersome reporting with limited integration, while manual data entry and slow reporting made sound budgeting, accounting capabilities and effective workflows near impossible.

How did Unit4 help?

Unit4 delivered pre-built, integrated ERP for financial, human and infrastructure asset management along with reliable implementation services, ongoing training and technical support.

What did we achieve?

Monetary savings

\$250,000 saved with Business World in 3 years.

Improved operations

75% cut of Finance Team headcount assigned to purchasing, equating to hundreds of thousands of dollar.

Efficiency and governance

More timely and therefore less costly timesheet process and easier DIY reporting.
