DIGITAL ASSISTANT WANDA

FACTS

Let your people focus on their everyday with a digital assistant by their side.

Don’t get trapped by the day-to-day. With Wanda, you’ve got a pocket full of all the support you will ever need. Make travel requests, submit expense claims, manage your timesheets and more.

Say hello, Wanda.
Wanda is the world’s first digital assistant for business. With Wanda, you have all the support you need anytime, anywhere. It’s the only contact you’ll need to get things done.

All the answers you need are simply part of the conversation. Just tell Wanda what you want, and you’re on your way. With the ability to help you manage timesheets, purchases, travel and expenses, ask questions and more, it’s a powerful and intuitive solution to setting your team free.

By your side, every step of the way with the answers you require. Wanda’s automation and learning capabilities help you get more done, more easily, no matter where you are.

Here to help...
No fuss (or wires or APIs)
Wanda makes everything simple, even integration and automation. No need for complex APIs or set-ups, just add Wanda to the contacts in your chat messenger of choice, and you’re in business.

Talks the talk
Wanda isn’t a stickler for grammar or corporate jargon. Talk naturally, and Wanda will understand and do the same. Helping you simplify and automate many day-to-day tasks.

Getting to know you
Using Natural Language Processing, Wanda grows with every conversation. Continually determining what you need and how it can help through regular interaction. Learning to make suggestions, complete routine tasks and help you get more done.
Remove the tedium
Work’s busy enough without the tedious admin, Wanda can remove some of the daily stress and let you focus on the work that matters. With Wanda in your pocket, you can manage:

Timesheets
Waste less of your billable time. With Wanda, you can automate timesheets, project scheduling, and even clocking in and out.

Travel & Expenses
Make being out and about simpler to manage. Wanda helps you manage your work travel and expenses. Submitting travel requests, storing copies of receipts and checking the status of claims.

Purchasing
Wanda can take care of all your purchasing needs. Showing options, submitting requests, and chasing outstanding items.

HR Assistant
Record absences, check payslips and more. Wanda’s your own pocket-sized HR department.

Policies & FAQs
Wanda can also answer any questions you have. Searching company policies and FAQs for instant access to the information you need, wherever you are.
